Re: Year 12 Futures Pathway Day

Dear Parent and Carers,

I am writing to inform you that on Thursday 17th October 2024 all Year 12 lessons will be suspended and pupils will be working from home. Every year at this time we suspend lessons to allow students the opportunity to attend the UK University and Careers search fair.

The UK University Search Fair is attended by a wide range of universities, apprenticeship providers and employers. It gives students and families a chance to explore different Post 18 pathways to start thinking about what they would like to do in the future. Details of the event can be found at the following address <https://www.ukuniversitysearch.com>.

Students must register for the event in advance. The way we suggest doing this is through an app - 'UKUniApp' - which can be downloaded on the Apple app store and the Google play store, by visiting www.ukuniversitysearch.com/fair-signup/london-autumn-2024 or using the QR code below.

The event will take place at Tottenham Hotspur Stadium, N17 0BX between 9:30am-2:30pm. The venue is most easily accessible via the Overground from Bethnal Green Station to White Heart Lane. In previous years students have attended this event with parents/carers/siblings or in friendship groups.

On return to Sixth Form on Friday 18th October students will reflect on their experience and feedback to their form tutor about the pathways they explored.

I hope you are able to support and encourage your child to take advantage of this opportunity and time as they start to make decisions about their post-18 education and career choices

If you have any questions, please do not hesitate to contact me.
