4 November 2024

SIXTH FORM OPEN EVENING 2024
WEDNESDAY 20TH NOVEMBER 2024 - 4.00PM TO 6.30PM

Dear Year 11, Parents, and Carers,

I extend a warm invitation to you for our upcoming Sixth Form Open Evening, scheduled for Wednesday, November 20th, 2024, starting at 4.00 pm. This event is a valuable opportunity for prospective students, as well as parents and carers, to experience the sixth form environment first hand and seek clarification on any queries about our offerings. Our team of A-Level and BTEC specialist teachers will be available during the evening to provide insights into the diverse range of courses we offer, along with important advice on post-16 pathways and careers.

Furthermore, during the event, all Year 11 students will receive their unique usernames and passwords for our application site. To apply, students will be required to utilise our dedicated online application form, ensuring a seamless application process and the ability to track its progress throughout the academic year.

The sixth form marks an exciting phase in a student's academic journey. Our primary goal is to motivate, inspire, and support each student in achieving their full potential and realising their career aspirations. We take pride in our sixth form's consistent record of high achievement, with many of our students progressing to prestigious universities, apprenticeship programs, or successful employment opportunities.

I eagerly anticipate the opportunity to meet with you on Wednesday, November 20th, and introduce you to the distinctive educational environment of Mulberry Stepney Green Sixth Form.

Yours sincerely,

Mr K Hussain
Assistant Head Teacher
